The following is our current list of user stories:

As a member of the general public i want to be able to easily apply for a permit so I can attend events at the College.

As a staff/student I want to be able to apply for a permit of different time lengths so I don't waste money on a permit i'm only using some of the time.

As a teacher I want to be able to apply for longer parking permits because I know i'll be coming in to uni throughout the semester/year.

As a department employee I want an easy way to tag expired permits using the information on the permits and more.

As a member of the college personnel I want a way to report health and safety violations quickly and easily so that it can be addressed properly.
